How To Write A Book

Have you ever told someone you could write a book about your life? Have you had an incredible experience that you wanted to share with others? Or do you want people in your industry to look at you as an expert in your field of work?

Author Stephen Tako discusses methods of how people, just like you and me, are now leaving their legacy for generations to come through the art and craft of writing a book.

We will discuss the methods for writing fiction and non-fiction books and how each of us has a story just bursting to be written on paper.

**Bring your pen, paper and ideas
and let's start your new journey
of becoming an author!**
